TRIVIA 1

I'm probably the most curious person
you will know. I'd be that kid in the
classroom who memorised and read
the encyclopedia. This part of my
personality had shaped my design
philosophy, a philosophy of curiosity and
consideration to design for a better world to
live in.

TRIVIA 2

My coworkers have often said, "ask Sharon,
the human Google". So if you would like
to, feel free to ask me questions. Even the
weird ones.

TRIVIA 3

I'm a design and science geek and not
ashamed of it.
